### HOLIDAY FOOD DRIVE

**WHAT:** AYLUS 2015 FOOD DRIVE

**WHO:** ALL STUDENTS FROM K-12, PARENTS ASSISTANCE SUGGESTED.

**WHEN:** NOW TO DECEMBER 22, 2015

**WHERE:** LOCAL FOOD BANKS OR OTHER CHARITIES

**HOW:** In this link ([www.feedingamerica.org/find-your-local-foodbank/](http://www.feedingamerica.org/find-your-local-foodbank/)) you can easily find the local food bank, near your community, by typing in the zip code or name of the city. It will lead you to the website of the food bank chosen. Find the section that says "food drive" on the website, and read the instructions. (This is very **IMPORTANT**, because this information includes their address, how to prepare and pack the food, what type of food to donate, the temperature the food should be kept, etc). Once confirmed with the information, you can host a food donation in your local branch, school, or neighborhood. *Canned foods and goods recommended.*

**ADDITIONAL INFORMATION:** Contact the food bank via the website, and request a food drive. If your donated goods exceeds a certain weight (Ex: >250 lb), they may send a truck to pick up. Otherwise, you need to send the food to their station.

**Coordinators:** Hill Yin & Leo Tong
