

Homeless Hygiene Care

In the United States of America, nearly 16 percent of the U.S. population lives in poverty which is, as of today, around 5 million people. The homeless includes, children, entire families, a myriad of people with disabilities, chronically homeless individuals and even veterans, who have fought for and served their country only to end up in a state of poverty. Much of the homeless have no access to everyday hygiene products. AYLUS could provide help to the homeless by distributing hygiene products to them!

Items to Collect:

Toothbrushes	Toothpaste
Soap	Toilet Paper
Hand Sanitizer	Sunscreen
Lotion	Small Towels
Deodorant	Wipes
Etc...	

Who: All AYLUS Branches! Anyone and everyone should participate!

What: To collect toiletries and hygiene care products and distribute them to the homeless or donate them to a local shelter.

When: By the end of 2016!

How: Hold Donation Drives. Then distribute the accumulated items to the homeless around you! The alternative is to donate the items to a local shelter that is in need of hygiene care products.
