

2015 AYLUS CLEAN THE WORLD UP EVENT

In September, recognizing the Clean the World Up days, all the branches of AYLUS will find a beach/park to participate in a cleanup with Adopt a Beach or other organizations. These activities empower participants to clean up, fix up and conserve our planet.

Age group recommended: Anyone in grades 3-12. Parents are welcome to join the activity.

Deadline: September 30, 2015

How to participate: On the allotted day for your branch, meet up with other members at a local beach or park and help to clean the area. You can still participate, if you are not part of a branch. Afterwards, send in pictures to president.aylus@aylfus.org, and the pictures will be uploaded to the website.

If there are any questions, email William John at president.aylus@aylfus.org. Detailed information about this activity has been sent to branch presidents.

Volunteer hours will be given to participants based on time spent cleaning parks, beaches or other areas. Request hours for volunteering at <http://aylfus.org/aylf-volunteer-hours-request-form/>
