Dear AYLUS Board;

On behalf of the students in Pearland Junior High West's Future Problem Solvers, I would like to thank your group for their dedication to supporting our academic program.

We have found that organizations such as Future Problem Solvers help to equip students not only with procedural and cooperative skills but also with an attitude of responsibility and compassion. All of which are desirable qualities that will impact the student in nearly every situation.

Your donation of \$400 in proceeds from your garage sale fund raiser this spring is helping to off-set costs and make a difference for our students to participate in the state FPS competition this month.

Our students have worked diligently to be recognized on the state level. If all goes well, these same students will earn themselves the chance to compete internationally.

Thank you again for all that you have done and for keeping our students as a priority.

Respectfully,

A handwritten signature in blue ink that reads "Jennifer Bill". The signature is fluid and cursive, with a large loop at the beginning.
