

AYLUS National Student Leadership Election Guide

1. Only the leaders of a local branch can run for the positions of national leaders and committee chairmen. Each participating branch leader should fill out and submit “AYLUS Leadership App Form” to aylfus@gmail.com before the application deadline of the year (June 30). The application must include the candidate’s name, phone number, branch name and position, coming fall grade, and a short essay. The topics of the essay are your vision, leadership experience, and volunteer achievements.
2. Each branch can only apply for one national leadership position (including president, vice president, secretary and treasurer), and two committee chairperson positions at most.
3. Branch leaders of each branch are welcome to establish new committees. Please submit a proposal to the AYLF Board of Directors at aylfus@gmail.com. The branch leader whose proposal is approved by the Board of Directors will be automatically appointed chairman of the newly established committee.
4. Voting: Branch advisors vote in the WeChat Advisory Group; for each leadership position, each branch can only cast one vote. Each branch elects one advisor to vote within the specified time. For each position, the AYLF Board of Directors has the final decision on the basis of respecting the voting results.
5. In order to encourage each branch to actively participate in leadership and community activities, branch advisors who have not been active within 12 months before the voting date are not eligible to vote, and branch advisors who have been established for less than 3 months are not eligible to vote. Students are also not eligible to vote.
6. The AYLF Board of Directors requirements for student leaders at the headquarters are as follows:
 - Do your job well after consulting with the headquarters leaders.
 - Collectively or individually organize a fundraiser for AYLF within nine months of tenure.
 - Work together to consolidate existing branches and actively develop new branches.

The AYLF Board of Directors requirement for the chairman of the national committee at the headquarters is to complete a national activity related to his position within nine months of his tenure.

National leaders and committee chairmen will automatically resign if they do not have any activities and achievements within nine months of their tenure.
