AYLUS is a non-profit organization and operates exclusively for educational and charitable purpose with the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986.

AYLUS promotes creativity, leadership, and initiative. AYLUS finds the potential of its members and develops it to both benefit the person as well as the community.

Students will be running AYLUS, with the approval of and supervision from the Board of Advisors.

Anyone with the dedication and motivation can join AYLUS. AYLUS members must be between the grades of 9th grade and 12th grade. Junior AYLUS members must be between the grades of Kindergarten and 8th grade.

AYLUS members receive the benefit of a national organization to create their own project or carry out existing projects. For their service, AYLUS members will receive volunteer hours and are eligible for many awards and scholarships from other organizations (e.g: AYLF). AYLUS members also receive an educational experience as a member of a national organization, as well as gain leadership, creativity, and social skills.

The motto of AYLUS is "Leadership, Integrity, and Innovation". AYLUS will be honorable and conduct all activities in a fair and scrupulous way.
