Dear AYLUS- Conejo Valley Branch,

On behalf of our Board, staff, and the children we serve, I would like to thank you for your donation of \$273.20 in support of our Big Brothers Big Sisters of Ventura County program .

Big Brothers Big Sisters of Ventura County operates from an asset based approach in helping children reach their full potential. Our mission is to provide at-risk youth with strong and enduring, professionally supported one-to-one mentoring relationships that change their lives for the better, forever.

We are only able to fulfill our mission and help our children become productive adult members of our community with the support of dedicated donors like you. Our measurable results show that youth in our program:

- improve their school performance
- get along better with their families
- are more likely to avoid drugs and alcohol and
- build confidence in themselves and their future

Again, thank you for your generosity, which allows our mentors and other volunteers to continue our legacy of changing the lives of youth in our community.

Sincerely,

Lynne West, CEO
Big Brothers Big Sisters of Ventura County
