

## Application for AYLUS Chief Philanthropy Officer

Name: Jenny Wang

Grade in this fall: 12<sup>th</sup> grade

Phone number: (469)756-9826

Current Branch position: President

Hopeful position: Chief Philanthropy Officer

My name is Jenny Wang and I served as the founder and president of Frisco & Plano Branch with 210 members. One of my creative volunteering efforts for the community was that I rented a booth at our local flea market TMMTD and sold hundreds of handmade bracelets each month. We reached our annual goal of \$10000 and we will donate to help local kids to fight cancer. I led the team to promote the NIH All of Us program in DFW area with more than 700 signups and awarded a \$3000 grant for extraordinary efforts and results. I seized the opportunities and led the team volunteer at three local Chinese New Year Gala and fundraised \$2000. I opened Boba shop to fundraise the shipping expense of the Africa Libraries Project. So far, we have donated and built four Africa Libraries in South Africa, Kenya, Uganda, and Ghana. I plan to host a Christmas Socks fundraiser this fall and winter. So, the special need kids we serve can design and paint and we will manufacture Christmas Socks using their painting for fundraising. Eventually, we will give funds back to the special needs community and AYLUS headquarter for sustainable development.
