

Name: Andrew Zhou  
Email: [andrew.sz.zhou@gmail.com](mailto:andrew.sz.zhou@gmail.com)  
Phone Number: 858-254-8581  
Incoming Grade: 12th Grade  
Branch: San Diego Branch  
Branch Position: President

My name is Andrew Zhou and I would like to apply for the AYLUS National Co-President position.

Currently serving as the San Diego Branch President and having previously served as the San Diego Branch Chair of Mathematics, I'm heavily involved in AYLUS leadership and activities, earning over 280 volunteer hours in the last reporting year and participating in about 150 activities. I've led and created numerous events for the San Diego branch including a program to teach kids with autism, a table tennis clinic, a new AoPS Math curriculum, and I've also hosted an AYLUS Alumni Seminar last year. Through these events, I've helped raise over \$3000 for Library's with Love in Africa, and contributed to my branch being awarded as an honor branch for almost every month the past year.

Serving as Co-President will open up new opportunities that allow me to serve and benefit all AYLUS branches, promoting the events I've created for the San Diego Branch to all branches nationwide. I'm dedicated to working tirelessly to help AYLUS prosper and thrive, and will lead with passion and responsibility with an open mind for new ideas to make a meaningful contribution to AYLUS and the community.
